Students take a shot at the trash can/box/etc. Prepare some flashcards beforehand based on the lesson theme. First show a flashcard to S1 (E.g. If you are teaching emotions, show the "happy" flashcard). If s/he answers correctly then s/he can take a shot at the basket. If the student gets the ball in the basket then s/he wins 2 points. If the student hits the basket without going inside then s/he wins 1 point. The person who gets the most points is the winner. This can also be played in teams.
