

#### 41. Window Game

You can only do this if your classroom has a window that you can stand outside of and look into the classroom (don't try this on the 10th floor!). Model first: stand the students in front of the window and go out of the room. Wave to them through the window and silently mouth some words (so it seems like they can't hear you through the glass). Look at a flashcard and then mouth the word a few times. Go back in and the student who first tells you the word you were saying can have a turn.
