

### 15. Banana Race

Children just love this! It is basically a QUIZ game in which you ask children questions (Target Vocabulary) like: "What's this? What fruit is red and round? How many chairs are there in the classroom?" or the teacher simply draws items on the board, makes animal noises so that they guess. You can work with or split the class into small groups/teams if you have a large class. The teacher draws on the board a race track and each team or student will be a BANANA waiting at the Starting Line. They will approach the Goal line as they answer each question. Each right answer equals a step towards the Goal Line. The BANANA who arrives there first, WINS!
