

2. Pictionary

Chalkboard Pictionary. To play in a classroom with many students, it's not very practical to use the game board. This means you'll be using the chalkboard or whiteboard at the front of the room.

Divide the class into two teams and create a small column for each team on one side of the board. You'll record their points here. Have one person from Team A come up to the front. Have the student draw a card (try using Pictionary Junior cards if the adult ones are too advanced for your class). Alternatively, you can write words on slips of paper for students to choose.

The student must convey the word to his or her team using only drawings. Students cannot use words, symbols or hand gestures. Limit the time to three minutes maximum. Each correct word is a point and the first team to get 10 points is the winning team.
