

29. Odd-One-Out

Write three or four words on the board. Students must circle the odd-one-out (e.g. cat - horse - cake - bird). You can even encourage students to come up with their own odd-one-out words to write on the board - this works well in teams. Make sure you give each team a couple of minutes to think up their words before inviting them up to the board to write them down.
