

### 30. Word Jumble Race

This is a great game to encourage teamwork and bring a sense of competition to the classroom. No matter how old we are, we all love a good competition and this game works wonders with all age groups. It is perfect for practicing tenses, word order, reading & writing skills and grammar.

Write out a number of sentences, using different colors for each sentence. I suggest having 3-5 sentences for each team.

Cut up the sentences so you have a handful of words. Put each sentence into hats, cups or any objects you can find, keeping each separate. Split your class into teams of 2, 3, or 4. You can have as many teams as you want but remember to have enough sentences to go around.

Teams must now put their sentences in the correct order. The winning team is the first team to have all sentences correctly ordered.
