

32. Pictionary

Pictionary can help students practice their vocabulary and it tests to see if they're remembering the words you've been teaching.

Before the class starts, prepare a bunch of words and put them in a bag. Split the class into teams of 2 and draw a line down the middle of the board. Give one team member from each team a pen and ask them to choose a word from the bag.

Tell the students to draw the word as a picture on the board and encourage their team to guess the word. The first team to shout the correct answer gets a point. The student who has completed drawing should then nominate someone else to draw for their team.

Repeat this until all the words are gone - make sure you have enough words that each student gets to draw at least once!
